Dear Garry:

A group of people have volunteered to work together to take on the planning and organizing of the 2004 New Year's Eve Celebrations and the 2004 Lebret Metis Cultural Days. This group has structured themselves in a committee format, they are:

- Chairman: Al Blondeau
- Vice Chairman: Gerard Lagace
- Secretary: Denise Lagace
- Financial: Wilfred Blondeau

In addition to these volunteers there are several others who have agreed to be members on the various sub committees to make this cultural event a success.

We ask that The Lebret Farmland Foundation Inc. acknowledge the formation of this committee at it's next board meeting, as the Foundation's organizing group. This will enable our committee to commence work on the New Year's Eve kick off celebration for the Cultural days event.

We look forward to working with The Lebret Farmland Foundation Inc. to improve the 2004 Metis Cultural Days and ensure their success.

Yours truly,

Al Blondeau
Chairman

Garry: Please find enclosed the minutes of our last meeting, just to bring the Farm Board up to date as to where the Cultural Organization is at. You may wish to distribute them at your next meeting with the Board members. I've contacted Mr. Bernard Tripp to invite him to attend our next meeting on behalf of the Farm Board.
