

**M is for Michif**

**Our Elders, our Old Ones, tell us many stories during winter of roogaroos, li Jhyaab, Chi-Jean, and Wiisakaychak. Some of these stories tell us of how things came to be, and they often have a lesson to learn as well, like why Red Willow trees have scabs. Create a story explaining how something came to be and include a lesson to be learned if you can. Use your **UNIQUE** imagination!**

**Rosie is learning Michif with the *Michif Lessons* app. (Download in the Google Play or Apple App Stores, or visit [www.metismuseum.ca/michif\\_tools.php](http://www.metismuseum.ca/michif_tools.php)).**

**Explore the lessons and challenge yourself to receive gold stars on each lesson!**

**U is for Unique**

**To read the *Chi-Jean and the Red Willows* comic and more tales from our Elders and Old Ones, visit: [www.metismuseum.ca/browse/index.php/13100](http://www.metismuseum.ca/browse/index.php/13100).**
