

E is for Elders

K is for Koohkum

X is for Xavier

Xavier Letendre owned a store in Batoche. If you owned a store, what would you sell? Create a catalogue and draw your products. Be sure to add prices and descriptions of your items!

Our Elders, our Old Ones, our koohkums, and our mooshooms, all have many stories to tell. Interview an Elder, Old One, a koohkum, or mooshoom. Ask questions like: What is your mother and father's names? Where were they born and raised? What do you remember of your parents? What was your favourite thing to do when you were my age? What games did you play in summer and winter?

What other questions can you ask?
